

Our mission...

Is a committed effort to serve all your boating needs in an efficient, professional manner at a fair price.

A commitment to having the parts in stock, using genuine OEM parts whenever possible, by maintaining quality relationships with our suppliers.

A commitment to having the most current information on hand.

A commitment to training our staff and utilizing the resources provided by OEM companies.

A commitment to have the staff in place that “make the difference” to both our internal and external customers making sure things are done correctly and safely.

A commitment that all work conforms to ABYC standards and practices, and the standards of the manufactures with whom we are “teamed”.

A commitment that all of our facilities are neat, clean, and safe for the enjoyment of all of our customers

A commitment to guide all of our customers to choices that will truly make the boating experience fun, enjoyable, and as trouble-free as possible.

A commitment that the operations run in such a fashion as to provide all of our customers, both internal and external, fair and equitable results at competitive prices.

A commitment to be honest and forthright at all times.

A commitment to serve all your boating needs.
